> Citing concerns that a Senate Intelligence Committee report may be inaccurate, Chairman Waxman asks the CIA for Agency memos related to Ambassador Wilson's February 2002 trip to Niger and the subsequent disclosure of Ms.Wilson's covert status. Ms. Wilson recently testified before the Oversight Committee that the Senate report incorrectly claims that she was responsible for her husband's mission, and that the CIA official who authored related memos attempted to correct the Senate's distortions was denied the opportunity to clarify the matter.
